When it comes to Ground School for Commercial Pilot License (CPL) Training, what is included in the fee? Consider the following comparison for better comprehension.

Ask these clear questions to the ground school.

Get free training at SJAA if you find an academy that offers everything we do, even at twice as much!

Facilities offered by Ground Schools	Saurabh Jain Aviator Academy (SJAA)	Fee At SJAA	Other Academies	Avg Cost in Other Academies
All subjects for CPL, which include: DGCA and WPC Air Meteorology, Air Navigation, Regulations, Technical General, Technical Specific and RTR(A)	<u>Fee for Ground Classes</u>	₹ 250,000	<u>Fee for ground classes</u> Variable from ₹ 80,000/- to ₹ 450,000/-	₹ 200,000
Flight Simulator: Featuring an ultra-realistic 4K experience, 3 screens, rudder pedals, control column, surround sound system, throttle with a gaming console, and the latest graphics card 4070 TI RTX.	<u>Included in Fees</u> The aspirant is taught each and every flight exercise and maneuver from starting the aircraft to switching it off and everything in between like take-offs, spins, stalls, landings, STOL, emergencies, failures, circuit landings, cross country flights, pressure instruments, gyro instruments, taxiing and much more. Every exercise and flight test included in the PPL and CPL flight syllabus is also conducted. With live weather, live ATC and ultra-real graphics, the student can become a true Aviator. There is no limit to the number of hours of practice. No need to count hours when you learn. (No Hidden Cost)	₹ 0	<u>Not Included in Fees.</u> If available, charged separately per hour @ ₹ 500/- to ₹ 3000/- per hour. For around 300 hours the average cost will be extremely high.	₹ 600,000

SPL: Written and Oral	Included in Fees (No Hidden Cost)	₹ 0	Not Included in Fees. Charged between ₹ 10000 to ₹ 50000/-	₹ 30,000
PPL: All Subjects, which include: DGCA +WPC Air Meteorology, Air Navigation, Regulations, Technical General, Technical Specific and RTR(A)	Included in Fees (No Hidden Cost)	₹ 0	Not Included in Fees. Charged between ₹ 50,000 to ₹ 1,50,000/-	₹ 100,000
ATPL: All Subjects, which include: General Navigation, Instrument Navigation, Air Meteorology along with 2 Oral exams.	Included in Fees (No Hidden Cost)	₹ 0	Not Included in Fees. Charged between ₹ 50,000 to ₹ 1,50,000/-	₹ 100,000
Books / Study Material for SPL + PPL + CPL + ATPL + Airline Interview Preparation	Included in Fees All 6 subjects books (hard copies + PDFs) + Oxford books (PDFs) + Color-printed notes of every subject (made by Capt. Saurabh) + Question banks of every subject + more than 300 DGCA style tests. Books will be sent by courier to students who wish to attend the classes online at the comfort of their home. Courier charges are to be borne by the student. (No Hidden Cost)	₹ 0	Not Included in Fees. Only 6 books are free which are not sufficient at all. Remaining books are charged approximately ₹ 1100/- per book.	₹ 40,000
Airline Interview Preparation Training	Included in Fees After the CPL, the student must find a job, for that SJAA prepares an aspirant to not just earn the CPL but also crack the airline interview and induction stages by training him / her for a myriad of skillsets, generally not covered as a part of the CPL syllabus. (No Hidden Cost)	₹ 0	Not Included in Fees. Chargeable between ₹ 40000 to ₹ 200000/-	₹ 160,000
Registration and Documentation Charges	Included in Fees (No Hidden Cost)	₹ 0	Not Included in Fees. Chargeable between ₹ 0 to ₹ 30000/-	₹ 20,000

<p>Class 2 & Class 1 Medical Documentation and Appointment.</p>	<p>Included in Fees The student will have to bear the charges to be paid directly to the doctor. SJAA will charge nothing. (No Hidden Cost)</p>	<p>₹ 0</p>	<p>Not Included in Fees. Chargeable between ₹ 0 to ₹ 30000/-</p>	<p>₹ 20,000</p>
<p>Computer Number Application</p>	<p>Included in Fees All documentation and paperwork will be taken care of by SJAA team at no cost. We fill the application and apply even multiple times if necessary. (No Hidden Cost)</p>	<p>₹ 0</p>	<p>Not Included in Fees. Chargeable between ₹ 5000 to ₹ 30000/-</p>	<p>₹ 20,000</p>
<p>Lifetime Membership (Extremely Important)</p>	<p>Included in Fees What if a student does not pass the exam in the first attempt? What if the syllabus changes after passing the subject? What if the technology updates and we have to learn the updated instruments? What if just for practice we want to re-study all the subjects? No worries, we've got you covered. You will be taught 'n' number of times till you get the airline job as a first officer. We firmly believe that pilots must remain updated with the latest technology at all times – before as well as after bagging an airline job and we strive to achieve the same for all our aspirants. (No Hidden Cost)</p>	<p>₹ 0</p>	<p>Not Included in Fees. Not Provided at any academy. If you fail any subject you have to pay that subject's fee again. Some academies let you re-study the subject one time. Usually, the student ends up paying upwards of ₹1,00,000/- No academy lets you update your knowledge after passing a subject. No one lets you revise or re-study if you pass, which is not ideal for a pilot.</p>	<p>₹ 100,000</p>
<p>English Improvement Training</p>	<p>Included in Fees Every Pilot has to undergo English Language Proficiency Test mandatorily, where a rating is assigned to the pilot depending upon his/her English language skill and fluency. It is an important criterion for airline selection as well. At SJAA we conduct after class curricular activities where the student is encouraged to speak and converse in English. (No Hidden Cost)</p>	<p>₹ 0</p>	<p>Not Included in Fees. No other academy has this. The training for ELP is charged at Rs 50000 on an average</p>	<p>₹ 50,000</p>
<p>Airline Job Guidance</p>	<p>Included in Fees Most aspirants struggle with finding the right job after CPL, what to do and how to prepare and get into the airlines. We guide and train them for each vacancy at no extra cost. (No Hidden Cost)</p>	<p>₹ 0</p>	<p>Not Included in Fees. Chargeable from Rs 20000 to Rs 1,20,000/-</p>	<p>₹ 80,000</p>

<p>Officer Like Qualities (OLQ) Development Training</p>	<p><u>Included in Fees</u> With an Army Colonel on board the team with an experience of 4 decades serving the Indian Army, we train each student to develop Officer Like qualities and mannerism. Each student is honed to develop a sense of civilized conduct. Every aspect including dressing, haircut, eating with a knife and a fork, complete table manners and much more is inculcated into the student, here at SJAA. <u>(No Hidden Cost)</u></p>	<p>₹ 0</p>	<p><u>Not Included in Fees.</u> Not available in any academy. For this you have to join separate classes which charge to train you.</p>	<p>₹ 30,000</p>
<p>GST and other hidden taxes.</p>	<p><u>Included in Fees</u> When we tell you the fee, it is inclusive of all GST, taxes, registration, and every other miscellaneous charge. You will not have to pay us even Re 1/- extra in the name of hidden costs. <u>(No Hidden Cost)</u></p>	<p>₹ 0</p>	<p><u>Not Included in Fees.</u> Most of the academies will charge GST on top of the mentioned fee and many other hidden charges as mentioned in this comparison table.</p>	<p>₹ 25,000</p>
<p>Advance Fee payment</p>	<p><u>Not Needed</u> We believe a student should only pay when they have verified everything, taken a few classes with the instructor, checked his teaching skills and talked to other students. One should pay only after verifying the documents. We even encourage the parents and the students to verify the licenses of the instructors because many other academies have so called instructors who are not even pilots. Pay when you have attended the classes and talked to other students and their parents and visited the academy.</p>	<p>₹ 0</p>	<p><u>Upfront Fee Payment.</u> Everyone asks for advance payment, where it is a risk for you as you don't even know how the instructor teaches. You don't even know if they are actual pilots. Check their license before you pay. Check and verify with their students whether they actually provide everything that they mentioned in their brochure.</p>	<p>-</p>
<p>Fee payment EMI option</p>	<p><u>Yes, Available with some conditions</u></p>	<p>₹ 0</p>	<p><u>Not Available</u> You have to pay the whole fee in Advance</p>	<p>-</p>
<p>Free Demo Classes</p>	<p><u>Yes, Available</u></p>	<p>₹ 0</p>	<p><u>Not Available</u> Some provide, most don't until you pay a part of the fee.</p>	<p>-</p>
<p>Transparency</p>	<p><u>Completely. We are happy to answer everything in detail and in clear words.</u> We understand that you would want to talk to our current students and our previous students, before deciding to take admission. We encourage you to talk to them and even their parents before deciding to pay even a single rupee. Please ask us even the smallest question you might have.</p>	<p>-</p>	<p><u>Not Available</u> No one provides clear or honest answers. You should ask the contact details of their previous and current students, and also talk to the students' parents. Don't get conned.</p>	<p>-</p>
<p>Will the subjects be taught by Captain himself or by his hired junior instructors?</p>	<p><u>All subjects taught completely by Capt. Saurabh Jain.</u> Yes, each and every subject will be taught by Capt. Saurabh Jain himself. We believe it is unethical to misguide a student. When the student or the parents talk with a senior pilot, they expect to be</p>	<p>-</p>	<p><u>Not Available</u> Most academies have owners who are pilots working for airlines, but the person teaching is a newbie young pilot or inexperienced instructor. This, we believe is not what the student signed</p>	<p>-</p>

	<p>taught by him personally. Every subject will be taught personally by Capt. Saurabh Jain.</p>		<p>up for. The student or the parents should have been informed about it in a transparent manner. In some academies the person teaching is not even a pilot. Yes, that's true. Check their license.</p>	
<p>Gym Facilities</p>	<p>Included in Fees Every pilot has to undergo medicals every year. SJAA is the only pilot training academy in India which takes the health of a pilot seriously, and so we provide a gym for the students on campus. (No Hidden Cost)</p>	-	<p>Not Available Not available in any academy</p>	
<p>Table Tennis, Darts, Carrom, Badminton Facilities</p>	<p>Included in Fees For a pilot, health and fitness is of outmost importance, sports like TT not only provide a means to relax but also develop good hand-eye coordination in a pilot. Available at campus for students. (No Hidden Cost)</p>	-	<p>Not Available Not only TT, in fact no other sports activity is available at any academy.</p>	
<p>Personality Development</p>	<p>Included in Fees Being a pilot also means to be able to carry yourself confidently, having a neat and pleasant personality, confidence, and good manners. Pilots are groomed and trained for this here. (No Hidden Cost)</p>	-	<p>Not Available Not available in any academy. You have to join some institute separately for it.</p>	
<p>Smart Classroom</p>	<p>Yes, Available Dual projector setup with state of the art heated and air-conditioned classrooms for all weather training with power back-up for uninterrupted training. All topics are taught with the help of animated videos, GIFs, photos, and audios to make the class more interesting and more interactive. At SJAA we teach each topic till every student understands it and confirms to move forward.</p>	-	<p>Not Available Some academies provide a smart classroom, most don't. Most academies are still training old style with books held in hand without any visual or audio systems.</p>	

Pilots Lounge/ Study Area on Campus	<p>Included in Fees A beautiful peaceful area where the pilot can watch the sunset, relax on a sofa, comfortable chair, proper with a 10x10 French window and a relaxed environment. Available for students to relax and study on campus. A peaceful zero noise/zero air pollution quiet area. (No Hidden Cost)</p>	-	<p>Not Available No academy has this.</p>	-
Online Class Option	<p>Included in Fees You can study from the comfort of your home or come to the academy for the complete training. You have the option to switch between online and offline depending solely at your convenience. For the simulator training you can visit the academy at your convenience and practice for as many hours as you like at no cost. (No Hidden Cost)</p>	-	<p>Not Available Only some academies provide this option.</p>	-
Special Batch for Working/ Studying individuals.	<p>Included in Fees SJAA provides a special night batch for those who are working or are pursuing any other course. You will be taught only 2 hours a day, only 1 subject at a time so you will feel no stress. (No Hidden Cost)</p>	₹ 0	<p>Not Available No other academy has this option.</p>	-
Part Time On-Campus Job	<p>Yes, Available SJAA oppotunes the students to work part-time at the academy if he/she wishes. This builds confidence and develops a sense of earning in the student. The student can earn enough to bear their monthly living expenses.</p>	₹ 0	<p>Not Available No other academy has this option.</p>	-
Total Cost	<p>Total cost inclusive of all charges at SJAA.</p>	<p>₹ 2,50,000 Two lakh fifty thousand total.</p>	<p>Total Cost including all the hidden fee at other academies.</p>	<p>₹15,25,000 Fifteen lakh twenty-five thousand average.</p>
